

come in without variation Cleveland will have between 4,000 and 5,000 plurality in the state.

AT CALDWELL, OHIO.

Special Dispatch to the Intelligence.

CALDWELL, W. Va., Nov. 9.—The election returns of Noble county were not all received at this place until late this afternoon and show that the entire county Republican ticket was elected with the exception of clerk of justice. The Democrats are jubilant over the success of the national ticket, while the Republicans are cheerful over the result achieved in the county and congressional districts.

Poorman Probably Defeated.

Special Dispatch to the Intelligence.

STURGEVILL, O., Nov. 9.—Unofficial returns give Harrison one thousand three hundred and eight plurality in Jefferson county; Poorman one thousand one hundred and twenty. The Prohibitionists poll five hundred and eight votes; Weaver two hundred. Poorman, Democratic candidate for Congress, is claimed, is elected by a hundred and fifty. It may take the official vote to decide it.

Poorman's District in Doubt.

CLEVELAND, O., Nov. 9.—A special from Bellaire says that Colonel C. L. Poorman, (Rep.) is defeated for Congress in the Sixteenth district by 100 plurality. This gives the Democrats ten congressmen, the Republicans ten and leaves one district, the Ninth, in doubt.

Ohio Congressional Delegation.

COLUMBUS, O., Nov. 9.—Latest returns show the election of the following congressmen in Ohio: First district, Bellamy Storer (Rep.); Second, John A. Caldwell (Rep.); Third, George W. Houk (Dem.); Fourth, F. C. Layton (Dem.); Fifth, D. Donovan (Dem.); Sixth, George W. Hullick (Rep.); Seventh, G. W. Wilson (Rep.); Eighth, Luther M. Strong (Rep.); Ninth, Ritchie (Dem.); Tenth, W. N. Enoch (Rep.); Eleventh, Charles N. Grosvenor (Rep.); Twelfth, J. N. Outhwaite (Dem.); Thirteenth, D. D. Harter (Dem.); Fourteenth, M. D. Harter (Dem.); Fifteenth, M. C. Vanvorhis (Rep.); Sixteenth, doubtful, chances favoring C. L. Poorman (Rep.); Seventeenth, James Richards (Dem.); Eighteenth, George P. Ikert (Dem.); Nineteenth, S. A. Northway (Rep.); Twentieth, W. J. White (Rep.); Twenty-first, Tom L. Johnson (Dem.).

ILLINOIS.

The State Undoubtedly Democratic by a Good Majority.

CHICAGO, Nov. 9.—The late returns do not abate in any way from the decisive Democratic victory in the state of Illinois, both on national and state tickets. Conservative men of all parties now generally agree that the Democratic plurality in the state will be approximately 10,000 and the Democrats will have at least thirteen of the twenty-two congressmen with a probability of one or two more in the districts still in doubt.

Incomplete official returns from thirty out of thirty-four wards in the city of Chicago give Cleveland 66,054, Harrison 47,282.

Partial returns from the country towns indicate that the vote in Cook county outside the city of Chicago will be almost a stand-off, so that Cleveland's plurality in Chicago and Cook county may be approximated at 19,000.

Six hundred and thirty-two out of approximately 710 precincts in the state outside of Cook county give Cleveland 112,406, Harrison 122,284—plurality for Harrison of 9,878. This would make Cleveland's net plurality in the whole state approximately 10,000. The official returns are not likely to show any marked variation from these figures.

Eiler, Republican, is making a strong race for governor outside of Cook county, and although the majority of the Republicans concede his defeat, others still hold on to the hope of his success.

The *Int-Ocean* at 9 o'clock announced that fourteen counties outside of Cook county gave Eiler 4,600 majority. At this rate the *Int-Ocean* believes he may yet win the state, although no great confidence is felt in such a result. It concedes the state to Cleveland.

HOW IT STANDS.

Democrats Will Have Full Control of the Government.

NEW YORK, Nov. 9.—In an extra edition the *Mail and Express* editorially concedes Cleveland's election and the "probability of a Democratic majority in the federal senate."

The *Mail and Express* says in its news summary: The Democrats will control the next house of representatives, but their majority will be reduced nearly 100, leaving them a majority estimated at between 40 and 50. The Republicans in New York state gain four congressmen by the latest figures.

"With a number of districts throughout the country yet to be heard from—about 31, the Republicans have 135 in the house, the Democrats 180 and the People's party 10."

INDIANA.

INDIANAPOLIS, IND., Nov. 9.—At 11 o'clock this morning complete returns had been received from less than one-tenth of the state of Indiana. Information in the hands of the chairmen of both state committees was not sufficient upon which to base a definite estimate, but the chances are the state has gone Democratic. The average precinct gain shown last night, which, if maintained, would have given the state to the Republicans by 10,000 has fallen off, and is now a fraction below what would be required to give the state to Harrison.

As the electoral ticket leads the state ticket by a considerable vote, there is little or no doubt of the election of the Democratic state ticket.

At Democratic headquarters at 10 o'clock this morning Chairman Taggart was claiming the state by 1,000 on the state ticket, and 8,000 on the electoral ticket. His claim is based on returns from 16 counties, practically complete or closely estimated which he claims show a net Democratic gain of 2,098 over the vote of 1888.

The best information obtainable at this time is that the state has gone Democratic by from 3,000 to 4,000; that the Democrats have elected 10 out of 13 members of congress, a Republican gain of one—in the tenth district and that the legislature is Democratic.

KANSAS.

TOPEKA, KAN., Nov. 9.—Chairman Breidenthal, of the Populist central committee, is jubilant this morning.

He claims that the People's party has carried Kansas, and that no returns have been received to justify a Republican victory in any but two counties—Shawnee and Reno. He has dispatches from thirty-two counties in the state, and says all but the two named above have given Populist majorities. Secretary Hare, of the Republican state committee, says he has no reason to change the claims made by the committee last night regarding the result in Kansas. He places the Republican majority on national and state ticket at 8,000.

Returns from 55 counties out of 106 give the following Republican majorities: Harrison 1,344; Smith for governor 999; Anthony for congressman at large 161. The most of the far western counties where the Farmers' Alliance and Third party movement flourish are still to be heard from and there is reason to believe that they will wipe out the small Republican majority.

PENNSYLVANIA.

PHILADELPHIA, Nov. 9.—The general result of the election in Pennsylvania may be summed up as follows:

President Harrison will have a majority of between 55,000 and 60,000 votes. The Republicans elect the two congressmen at large—Lilly, of Carbon county, and McDowell, of Mercer, who ran about even with their ticket. John Dean, Republican, of Hollidaysburg, is elected justice of the supreme court, but exact figures cannot be given at present.

The Republicans elected congressmen in the First, Second, Fourth, Fifth, Sixth, Tenth, Fourteenth, Fifteenth, Twentieth, Twenty-first, Twenty-second, Twenty-third, Twenty-seventh districts, while the Democrats elected in the Third, Eighth, Ninth, Thirteenth, Seventeenth, Nineteenth, Twenty-fourth, Twenty-fifth, Twenty-sixth and Twenty-eighth. The Seventh, Twelfth, Sixteenth and Eighteenth are close. The legislature will stand about as at present, the Republicans now having a majority of about 50 on joint ballot.

Twenty wards out of 35 in this city give Harrison 22,988 majority, a Republican gain of 8,041.

WATSON SNOWED UNDER.

Georgia Elects the Entire Democratic Congressional Ticket.

ATLANTA, GA., Nov. 9.—Full returns from all parts of the state show the reelection of the entire Democratic congressional ticket. Every district of the state sends a Democrat to Congress.

The hard fights were in the Fifth and Tenth districts. In the Fifth Sam Small, the well known Prohibitionist, was pitted against Leonidas Livingstone, the regular Democratic nominee. Livingstone swept Fulton county like a cyclone. The great fight of the day was in the Tenth district, where Watson was snowed under, being defeated by more than 5,000 majority. The campaign in the Tenth district was the most bitter ever known in Georgia.

MISSOURI.

ST. LOUIS, Nov. 9.—In this city 141 precincts give Cleveland 29,009, Harrison 29,711, Stone 27,742, Warner 31,355. Scattered returns from the principal towns in the state outside of St. Louis show that the early estimate of from 20 to 25 per cent. gain by the Democrats is being held up. The People's party and Prohibitionists have not figured. There is now little question of the success of the Democratic ticket, state and national by 25,000.

Late returns say that the Eleventh and Twelfth districts are close, but it is believed that O'Neill and Cobb, both Democrats, will win by small majorities. Richard Bland, Democrat, is re-elected to Congress from the Third district. Reports indicate that his majority will be 3,500.

MICHIGAN.

DETROIT, MICH., Nov. 9.—The Republicans have undoubtedly elected the greater portion, if not their entire state ticket by from 8,000 to 15,000 plurality. The *Free Press* (Dem.) concedes the election of all on the ticket except Ellis for attorney general and Newton for associate justice of the supreme court, who were on both the Democratic and People's tickets. Michigan's electoral vote is badly split up. The Democrats claim that six of these votes will be cast for Cleveland, while the Republicans say they are certain of nine.

WASHINGTON.

TACOMA, WASH., Nov. 9.—The result will not be definitely known in this state for at least twenty-four hours. Indications are that Harrison carried the state by 5,000 at least and that both Republican congressmen are elected. Both Democrats and Republicans claim the governor.

Returns from Washington state are coming in very slowly. From meagre reports received the indications are that Harrison carries the state by 4,000 plurality.

MINNESOTA.

ST. PAUL, Nov. 9.—Up to 6 o'clock this morning returns on electors from 76 precincts outside of the cities shows a net Republican loss of 449 and if that continues the plurality for the Harrison electors would be close to 25,000 over the straight Democrats.

Returns on governor from 69 precincts show a net Republican gain of 269 over two years ago, which if continued would give Nelson 10,000 plurality.

WISCONSIN.

MILWAUKEE, WIS., Nov. 9.—Republicans admit the election of Peck (Democrat) for governor by a small plurality and that the electoral vote goes to Cleveland. Four of ten congressmen are probably Republican. The legislature is Democratic and a Democrat will succeed the present United States senator.

The Democratic Chairman, Wall, says Cleveland and Peck are elected by 13,000. The returns are incomplete, but will not make any material difference.

NEBRASKA.

OMAHA, NEB., Nov. 9.—Incomplete returns from forty-eight of the ninety counties in Nebraska indicate that Harrison has carried the state by a slight plurality. The Democrats admit the election of Conz (Republican) for governor by 5,000 to 10,000. The Republicans elect two congressmen, the other two districts are in doubt.

NORTH DAKOTA.

MINNEAPOLIS, MINN., Nov. 9.—A special to the *Journal* from Bismarck, N. D., says 78 precincts give Harrison 3,355, Weaver 2,877; Johnson (Rep.) for Congress 3,309; O'Brien (Dem.) 3,435. The national and state Republican tickets are safe by a fair majority. The legislature is in doubt.

OREGON.

PORTLAND, ORE., Nov. 9.—One hundred and seventy-nine precincts com-

plete in Oregon out of a total of 845 give Harrison 17,411, Cleveland 7,270, Weaver 14,014, Bidwell 930. The figures embrace over half of the vote of the state.

IOWA.

DES MOINES, IOWA, Nov. 9.—The Democratic state committee admits that the Republicans have carried ten out of eleven districts. The Republicans claim Harrison's plurality at 25,000.

DELAWARE.

WILMINGTON, DEL., Nov. 9.—Delaware complete: Cleveland 18,520; Harrison 17,951. Cleveland's plurality 578.

A Divided Victory in Connecticut.

HARTFORD, CONN., Nov. 9.—The vote in this state with one town missing gives Cleveland 82,408, Harrison 76,989, Weaver 3,094, scattering 1,006. Cleveland's plurality 5,417.

Robert E. DeForest, Democrat, is re-elected from the Fourth district. The state senate is a tie and the Republicans have about 20 majority in the house.

Rockness Jerry Re-elected.

WICHITA, KAN., Nov. 9.—Jerry Simpson is re-elected to Congress in the Seventh Kansas district.

A FREE COINAGE VICTORY.

COLORADO GOES FOR WEAVER AND THE POPULIST CANDIDATES.

DENVER, COLO., Nov. 9.—Hon. Thomas M. Patterson, editor of the *Rocky Mountain News* and the leader of the People's party in Colorado, upon the request of the Associated Press gave the following opinion on the result in Colorado: "The indications are that Weaver has carried Colorado by not less than 8,000; also that both fusion candidates for Congress have been elected. I believe the entire fusion state ticket is successful."

The *Rocky Mountain News* editorially says: "Colorado has voted for Weaver and Field by a large majority, and elected the entire free coinage, Democratic and People's party ticket by a majority that will be little less than that given for Weaver. It also elects Pence to Congress in the First district and Belle in the Second district, both Populists and free coinage nominees. The state legislature will also undoubtedly be Populist and led by a decided majority. All hail to the people of Colorado! They have fought a splendid fight and won a magnificent victory."

The returns are coming in slowly, those received being very favorable to Weaver.

Returns from about two-thirds of the counties in Colorado give Weaver 22,593; Harrison 17,131; Weaver's majority 4,862.

GETTING THE NEWS.

Mr. and Mrs. Cleveland Receive Congratulations from Their Friends.

NEW YORK, Nov. 9.—Telegrams and letters literally poured into the Cleveland residence No. 12 West Fifty-first street this morning. The bell was kept ringing from 7 a. m. by messenger boys and visitors, but the next President slept calmly on through it all and had left word that he was not to be disturbed, under any circumstances.

Mr. Cleveland had much need of the rest. It was nearly 5 o'clock this morning before he retired.

Mrs. Cleveland and baby Ruth were up and dressed at the usual hour and the prattle of the baby and the cooing tones of the mother came up pleasantly from the breakfast room.

O'Brien, Mr. Cleveland's private secretary, said that Mrs. Cleveland was elated in her own quiet way at the result of the battle of the ballots and that she had received the congratulations of several of her women friends.

Mrs. Cleveland was the central figure of a group of distinguished people in her drawing room last night, while two telegraph instruments on the floor above ticked off the latest advices from all parts of the country.

The ladies remained until after 2 o'clock this morning when the election of Mr. Cleveland was assured.

Mrs. Cleveland retired soon after they left.

Mrs. Cleveland was in high spirits this morning. She said simply: "Of course, we were all much pleased with the news from the election but Mr. Cleveland's pleasure was not demonstrative. He seemed to be simply in the enjoyment of perfect satisfaction."

Stevenson Congratulated.

BLOOMINGTON, ILL., Nov. 9.—It was 2 o'clock this morning when Hon. A. E. Stevenson and his family retired after carefully watching the returns and receiving great multitudes of visitors who called to extend to him their congratulations upon the Democratic victory. About midnight a delegation of Democrats, wild with enthusiasm numbering about a thousand invaded his home. Hundreds of telegrams have been pouring in upon him from all parts of the country. This afternoon General Stevenson sent his congratulations to President Cleveland.

A COAL MINER'S STATEMENT.

Illustrating the Effects of Irritating Particles of Dust

And Exposure to the Damp and Foul Air of the Mines—Also the Beneficial Results of the Treatment in Such Cases by the Copeland Medical Institute.

That one's occupation often has considerable influence over his health is shown in the case of Mr. August Hood, a coal miner in the employ of the Laughlin Nail Company, who lives at Don P. O., a little hamlet one mile west from Martin's Ferry.

Mr. Hood says: "I had been troubled off and on for several years, and doctored from time to time with little or no benefit, till finally I grew so bad I became seriously alarmed about my condition and felt that I would have to have immediate relief or give up my work. Iached

MR. AUGUST HOOD, DON P. O., OHIO.

all over nearly all the time, and my body felt as sore as if it had been pounded with a club. I had a constant pain over my eyes and through my temples, and my eyes were sore and pained me away back into my head. I also had shooting pains through my chest to each shoulder blade, pain and soreness in the small of my back, over the region of my kidneys, and pain shooting down the legs to the knees, with at times a numbness and pricking sensation, as of needles jugging me. I had rheumatism all through my body, so bad at times I could not go to sleep.

"My nose and throat were constantly stopped up with a sticky, tenacious mucus and I would often hawk out little chunks of hard stuff as black as coal. My throat finally got so sore and swollen I could scarcely swallow. My ears were also affected by roaring and hissing sounds.

"The appetite became affected and nothing I ate seemed to agree with me. After eating my stomach would swell up like a drum, and I was troubled with belching of gas, palpitation of heart, dizzy and smothering sensations, etc.

"I could not sleep well, my sleep was troubled with horrid dreams and I worked all night in these dreams, and awoke in the morning tired, unrefreshed, sore and aching all over. Finally night sweats set in, which made me very weak and nervous.

"I shall always bless the day I was directed to Dr. Copeland, Bell and Davis, for they have done for me what no other doctors could do; they have cured me of all my ailments, and now I feel like a new person. I have no aches or pains, eat and sleep well, and awake in the morning rested and anxious for my daily work. I shall never forget what they have done for me."
